

# The Protective Armor for Your IT Infrastructure

**Highest availability infrastructure...**

**State-of-the-art, redundant power feeds that ensure uninterrupted power...**

**Exceptional systems architecture for an optimally-conditioned environment...**

**Strictest physical security standards available to guarantee protection of your data...**

Every feature of the FiberNet Ironbound Data Center is designed to support and protect mission-critical Internet operations.

Located at 165 Halsey Street in Newark, NJ, the FiberNet Ironbound Data Center provides you with a secure, reliable, carrier-neutral facility with access to global carriers, ISPs and other Internet-related businesses, educational institutions and enterprises.

Harness the power of a combined 60 years of experience in designing, building and operating data facilities, with FiberNet's team of experts and secure your space at the FiberNet Ironbound Data Center.

## FiberNet Ironbound Data Center

Physical	
Rentable Square Feet:	39,000
LATA:	224
CLLI Code:	NWRKNJMDF09
Latitude:	N40-44-12
Longitude:	W74-10-23
Vertical:	05015.70
Horizontal:	01429.85
Fiber Ingress/Egress Points:	2
Meet-Me-Room:	✓

Power	
Total Commercial Power:	3000 Amps @ 480V
DC Power Available:	Custom Designed
UPS Battery Time at Peak (in minutes):	15 minutes
Generator Backup:	✓

Fire Suppression	
Pre-action System:	Dry Pipe

Security	
24x7 Customer Emergency Access:	✓
24x7 Building Security Personnel:	✓
Visual ID Required:	✓
Key Card/Key Pad Access:	✓
CCTV:	✓

HVAC	
Air Temperature (F):	60-75
Humidity Range:	35%-65%
Level of HVAC Redundancy:	N+1

Colocation Services	
Locked Cabinets:	✓
Cages:	✓
Private Suites:	✓
Engineering Design Layout:	✓

Transport Connectivity Services	
OC-n:	✓
Ethernet:	✓
Wavelength Services:	✓
Intra-Building Connectivity:	✓
Last Mile Access:	✓
Internet Access:	✓

Managed Services	
Equipment Installation	✓
Cable, Wiring & Cross-connects:	✓
Equipment Monitoring:	✓
First Line Equipment & Network Maintenance:	✓
Remote Hands Availability:	✓
Equipment Diagnostic and Repair:	✓

Sample of Building Telecom Tenants	
012 Smile Communications	Local ISP
4Connections	Madison Title Agency
AboveNet	Meridian Health System
Access NorthEast	Morgan Stanley
Ajus Corporation	Net Access Corporation
Alpha Investment Management	NetCarrier
