FiberNet CEO to Present at Merriman Curhan Ford & Co. IP Video 2007 Conference

NEW YORK – January 31, 2007 – On February 13, 2007, at 1:15pm, Jon A. DeLuca, President and CEO of FiberNet Telecom Group, Inc. (NASDAQ: FTGX), a leading provider of complex interconnection services, will participate in a panel discussion at Merriman Curhan Ford & Co.'s *"IP Video 2007 Conference: The Killer Application for Internet and Communications"* investors symposium.

Held in San Francisco, the conference will feature more than 30 companies discussing growth opportunities driven by the proliferation of online video and IPTV.

For more information regarding the conference, the panel discussion or to register to attend, please visit http://www.merrimanco.com/home/conferences/index_ipvideo2007.php.

About FiberNet Telecom Group, Inc.

FiberNet Telecom Group, Inc. owns and operates integrated interconnection facilities and diverse transport routes in the two gateway markets of New York/New Jersey and Los Angeles, designed to provide comprehensive broadband interconnectivity enabling the exchange of traffic over multiple networks. FiberNet's customized connectivity infrastructure provides an advanced, high bandwidth, fiber-optic solution to support the demand for network capacity and to facilitate the interconnection of multiple carriers' and customers' networks. For additional information about FiberNet, visit the company's website at ftgx.com.

Various remarks that we may make about FiberNet's future expectations, plans and prospects constitute forward-looking statements for purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. Such remarks are valid only as of today, and we disclaim any obligation to update this information. Actual results may differ materially from those indicated by these forward-looking statements as a result of various important factors, including those discussed in FiberNet's most recent Annual Report on Form 10-K, which is on file with the Securities and Exchange Commission.
